meet the grand marshall

Ruth O'Mara

The Lake Odessa Fair Board is proud to recognize Ruth O'Mara as the Grand Marshall for the 2022 Lake Odessa Fair. Born Ruth Maurer, she grew up in Battle Creek during the Great Depression. During her high school years, Ruth saw her brothers and friends drafted to fight in World War II. Ruth's father stressed gratitude to his children during US rationing on the home front. In those years, friends and family would visit the Maurer farm to get food that they could not buy in stores.

In 1947, Ruth attended a church picnic at Saint Cicero mission church where she met Lawrence (Larry) O'Mara. Ruth moved to the Lake Odessa community in 1948, after she and Larry got married. Ruth and Larry O'Mara raised six children on their farm West of Lake Odessa. In 1983, Larry went to be with the Lord. A widow Ruth remained dedicated to her faith, her children and service to the community. Ruth is proud of the families her children have raised, and enjoys welcoming her grandchildren into her home to visit.

Ruth's husband Larry served as a fair board member for many years. Larry helped to organize the horse races, and their six children entered the family's Angus cattle in the 4H livestock shows. Ruth filled Larry's position on the fair board after he passed away. As a board member, Ruth worked with Marge Erickson to start the exhibit shows. Ruth then convinced the Davis family to build a barn to house the exhibits. Ruth also started the fair's Women's Show in 1984.

Ruth placed value on the fair because of the positive experience it provided to local children. According to Ruth, "the fair brings people together to do the right thing, and not for recognition." Ruth appreciates that her grandkids can still enjoy the games and tournaments at the fair today. Thank you, Ruth O'Mara, for your many years

join the grand parade

Megan Hanson & Lisa Hewitt, chairpersons
parade@lakeodessafair.org

The 87th annual Lake Odessa Fair Grand Parade will be held June 22, 2022 @ 6pm. Judging will take place at the village park, Swifty's Place, before the parade, as well as through the duration of the parade. All entrants must be in full costume at least 1 hour before parade time. All entrants able to proceed into the fairgrounds will be asked to do so. The parade continues through the grounds, past the pickleball courts, proceeds down the lane adjacent to the courts and ends on the southeast end of the fairgrounds. Assembly time is 5:00-5:30pm. Classes offered are listed below.

- 1) Amateur (floats created by non-professionals and entered by any community organization or individual, civic or service club.)*
- 2) Miniature Children's Floats*
- 3) Individuals (clowns, animal costumes, etc.)*
- 4) Bicycles (decorated)*
- 5) Antique Cars*
- 6) Harness & Horse Drawn Vehicles (costume class)*
- 7) Individual Horses (costume class)*
- 8) Commercial Floats (industrial, business, state agencies or commission, created by professionals or non-professionals) - Certificate to be awarded*
- 9) Tractors*

Judging will be based on participants' costume or float appearance as well as performance during the parade. The decision of the judges is final, and will be announced within a half hour of the parade conclusion at the fair office. No motorcycles, mini-bikes or motor-driven two, three or four wheel vehicles unless pre-approved. No entry fee. NO RAIN DATE WILL BE SCHEDULED.

Please use our online registration form to register for the 2022 Lake Odessa Fair Grand Parade, lakeodessafair.org.

Carnival for Kids Program

We're returning in 2022, and as excited as ever! The fair just isn't "the fair" without a carnival. It has been our mission to not only bring back carnival to the fair, but also make it affordable.

A few years ago when we made this our #1 goal, we decided to approach the farm community for support in making this happen. The response has been overwhelming. Businesses and farms have stepped in to dramatically reduce the cost of all-day wristbands!

A huge thank you goes out to these businesses and farms that are helping our youth make the best memories at our community fair.

LOF Tree Pledge

Want to help the Lake Odessa Fair Grow? Literally!

our pledge: *In 2015, our organization began planting maple trees across the Lake Odessa Fairgrounds to honor our planet, and restore the natural grace and beauty of our grounds. To date we have planted 75 maple trees and 50 white spruces.*

By 2025, we pledge to have planted 200 trees in total (or more!). We developed the idea to let the community be a part of this pledge through a tree donation program. Trees can be donated at the \$100 and \$200 levels. We want the community to feel a strong sense of belonging to the transformation taking place. The fairgrounds is a space open to everyone to enjoy.

the program: *Each tree donation can be done in honor of someone or something, or can be done through a proud donation by someone or to share an inspirational quote.*

Examples: "In Memory of Dick and Jane Smith," "Proudly Donated by the Smith Family," "The Earth does not belong to us, we belong to the Earth."

The tree will be planted on the grounds and eventually a small plaque will be placed at the base of the tree with the information you provide. There will be a "tree map" displayed at the fairgrounds for people to see the tree locations.

The 2021 Tree Donation window closed on April 30, 2022 with 30 Red Buds purchased. The 2022 program is now open, all donations for a tree made now through April 30, 2021 will go towards purchasing our 2023 Tree of the Year, which is still being chosen.
